Continuation of Substance of Interview including description of the general nature of what was discussed: Examiner discussed that the newly discovered reference Baskas reads on claim 1 and as such proposed to add the limitation of claim 10 into claim 1 and thereby cancelling claim 10 to put the case in condition for allowance. Additionally, since the second jaw assembly is pivotally coupled to the mounting assembly and not the first jaw assembly as recited on line 11, claim 1, the first jaw assembly should be corrected to mounting assembly. After reviewing the Baskas reference, Mr. Proehl agreed to all the changes...
